**Radical Meeting.**  
The Radical Congress Club of Chambers' School House, met Thursday, Sept. 26th, 1886, by special order of the President of the club, for discussing the means to be used for our safety and protection.

After being called to order, Messrs. Albert Kennedy, L. B. Griffin, and Walter Brownlee were chosen to draft resolutions.

The following were reported:  
**Resolved, 1st.** That we will stand firm to our political principles, regardless of consequences.

**2.** That we will give our utmost support to the nominations of the Radical Conventions throughout.

**3.** That endorsing the policy of Congress, we will resist to the best of our abilities, the treasonable acts of copperheads and traitors, and especially such as have threatened us in this vicinity, by saying we should rue the day we subscribed our names to a club, that we were all marked, and like expressions.

**4.** That regardless of these threats, we expect to take care of the standard of loyalty in our section, willing after having fought traitors for four years, if necessary, to fight them four years more.

**WALTER BROWNLEE, ALBERT KENNEDY, L. B. GRIFFIN.**  
On motion, it was resolved that a copy of these resolutions be published in the Holt County SENTINEL.  
Adjourned.

**MOUND CITY, Sept. 29th, 1886.**

**ED. SENTINEL:** I am informed that some persons, to me unknown, are circulating a document in the south part of the county, purporting to be from Mr. IRA BUZICK to me, recommending some route for the Platte Country Railroad. I never saw Mr. BUZICK, until to-day, and never heard him express any opinion on any subject, and never received any document or paper from him, or any one else, in regard to the railroad. I believe the whole thing to be a forgery, made for some political purpose. My assistants inform me that Mr. BUZICK has expressed no opinion in regard to the Railroad to them. I am, very respectfully yours,

**E. G. FERRISS.**

**Chief Engineer, Platte Country Railroad.**

**SIMPLE MODE OF COMPUTING INTEREST.**—A new mode of computing interest of any number of dollars at six per cent, appears very simple. Multiply any given number of dollars by the number of days of interest desired, separate the right-hand figure, and divide by six; the result is the true interest of such sum for such number of days, at six per cent. This rule is so simple and true, according to all business usage, that every banker, broker, merchant, or clerk should post it up for reference and use. By no other arithmetical process can the desired information be obtained with so few figures.

The unconditional Union men of North Carolina, have nominated Hon. W. F. Dodderay for Governor. The Constitutional amendment was unanimously endorsed by the Convention.

**Hope.**

The Scriptures saith, that "Hope is an anchor to the soul, both sure and steadfast." It is the unfortunate's only comfort in adversity, and the star of promise which urges forward the struggling poor man. What is it that gives contentment to that mother who sees her darling child attacked by the ghost of the deadly croup, or suffering from the effects of a consuming cough or violent cold. What is it that wreaths in smiles the lips of that patient consumptive who, though she knows she cannot live, yet murmurs her silent and thankful prayer for ease and relief. What is it that has become a nation's hope—from North to South, from East to West, comes but one joyful response—Give us Coe's Cough Balsam.
